

# OUTBACK

## QUICK START SETUP GUIDE

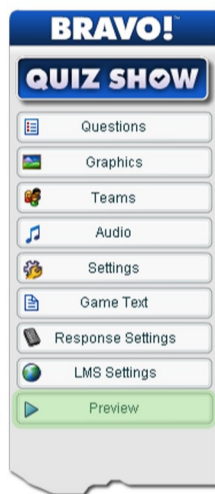

Outback enables wireless keypad users to participate in a remote meeting that is presenting BRAVO!, CLICK or the Q&A software.

### Host Setup (BRAVO! Game Setup)

**STEP 1:** Under the Audience Response Setting tab in BRAVO!, be sure to select the PING (Virtual Response System) as your response type.

**STEP 2:** Enter your user name and password and click OK. Launch your BRAVO! game by clicking the Preview button.

**STEP 3:** Share BRAVO! with your attendees using your web conference tool.

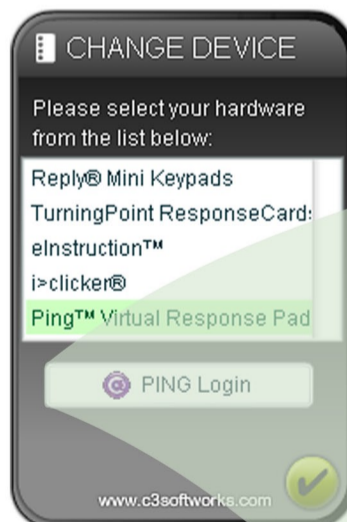

**IMPORTANT!** Keep note of your 4-digit PING ID - your attendees will need the ID to login.

### Host Setup (CLICK Game Setup)

**STEP 1:** Open CLICK and select Change Device in the menu. Select PING (Virtual Response Pad).

**STEP 2:** Click the PING Login button to enter your user name and password. Click Submit to retrieve your PING ID.

**STEP 3:** Click the checkmark button in the bottom-right corner to begin your poll.

# Host Setup

(Q&A Game Setup)

**STEP 1:** Under the Response button in Q&A, be sure to select the PING (Virtual Response System) as your response type.

**STEP 2:** Enter your user name and password, then click Submit. Launch your Q&A presentation by clicking the Save & View button.

**STEP 3:** Share Q&A with your attendees using your web conference tool.
