

# OUTBACK with keypads

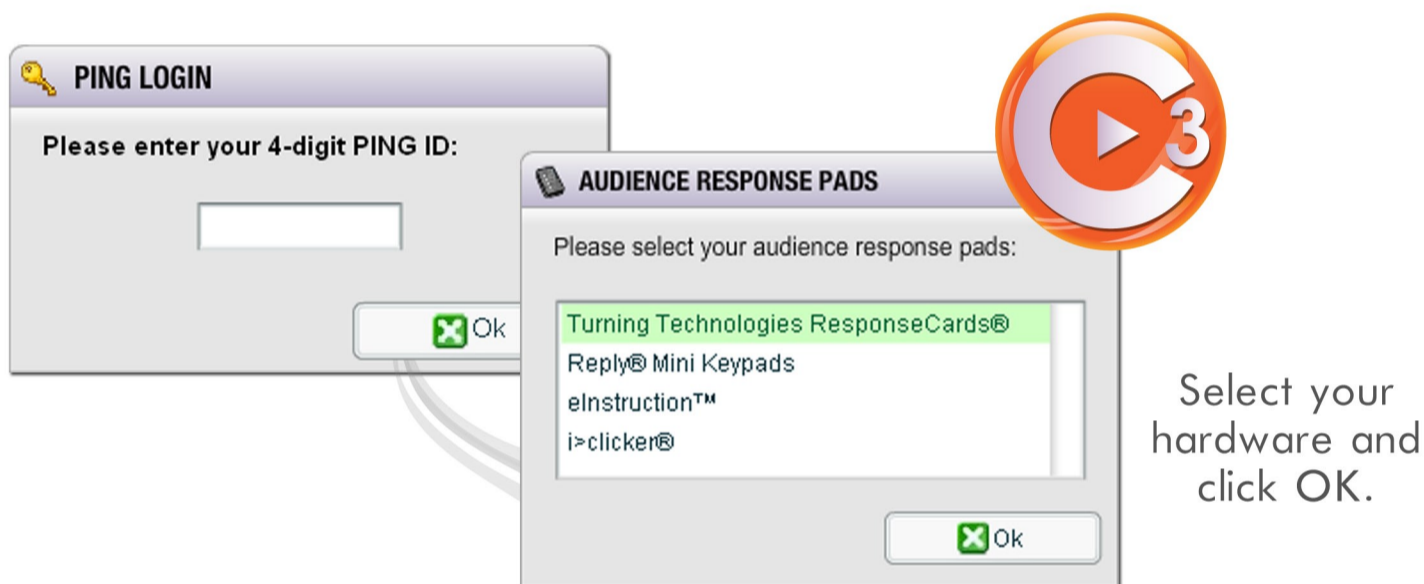

REMOTE USER SETUP WITH AUDIENCE RESPONSE KEYPADS

## Remote User Setup

STEP 1: Plug the USB Receiver into an available USB Port.

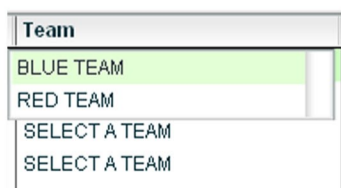

STEP 2: Launch Outback and enter the 4-digit PING ID provided by your instructor then click OK.

STEP 3: After your hardware is connected, instruct each player to press any key on their keypad to register their Response Pad ID.

Response Pad ID	Virtual Pad ID	Enter Name (Optional)	Team	Voted
284AFD		WILLIAM	Waiting for the quiz to begin...	X
285E94		SALLY	Waiting for the quiz to begin...	X
2601F0		GEORGE	Waiting for the quiz to begin...	X
1A998C		BETTY	Waiting for the quiz to begin...	X

Choose a team for each keypad by clicking the drop-down in the Team column. When finished, click Submit to begin.
